**Written Statement**

Please attach a written statement of no more than two pages in length in which you discuss your interest in engineering, mathematics and/or science and why you want to pursue a college degree in this area. Please include information about an accomplishment in your field of which you are particularly proud; an engineering, mathematics or science topic that has motivated you; or other specific example of your unique interest in these fields. The written statement should also include at least one paragraph in which you discuss your financial need, including any circumstances which may impact your family's financial situation (such as grandparents or dependent children older than 18 who are living with you).

**Extracurricular Activities, Community Service and Work History**

Please attach your resume or a listing of your extracurricular activities, community service and work history, including dates and responsibilities (limit two pages).

**References**

Please enclose with your application two references, one from a mathematics or science teacher who knows your work well, and one from a guidance counselor or advisor. These references should be in separately sealed envelopes, and the reference writer should sign their name across the back flap of the letter. You must follow this procedure carefully or your application may be considered incomplete.
